

Instructor Pilots for Joint Strike Fighter – Williamtown, NSW

Milskil has been selected as preferred supplier by Lockheed Martin Rotary Mission Systems to deliver a range of F35 Joint Strike Fighter (JSF) training services at the RAAF Williamtown JSF Integrated Training Centre. Milskil is now expanding its training workforce with its initial JSF cadre due to commence operations by mid-2018.

Milskil is an Australian-owned company that delivers unique operationally focussed training solutions for our Defence, Government and Commercial clients. Milskil currently provides training services on the F18A Classic Hornet, F18F Super Hornet and EA-18G Growler at RAAF Williamtown, Amberley and Tindal.

We provide peak technical training solutions into the most challenging professional domains. Our success and capabilities hinge on our ability to attract and retain the highest quality staff for long term employment.

We are expanding our training team at Williamtown and are seeking Instructor Pilots for immediate start to deliver JSF pilot training to RAAF.

Essential background and skills include:

- RAAF qualifications or AWI, FCI, QFI, OFI or US military equivalents of Weapons Officer or Instructor Pilot
- 4th or 5th generation fast-jet experience and qualifications

You will also need:

- To be an Australian or US citizen
- Ability to gain or regain the relevant security clearances (through Milskil)
- A desire to contribute to the development and expansion of Australia's 5th Generation Air Combat Capabilities
- A desire to live in one of the most family friendly locations in Australia

Interstate and international relocation packages are available. Interested international candidates should apply; we have visa and immigration pathways available for appropriate candidates.
